BOYS AND GIRLS CLUB

“We hired AR & Co to create publicity for us when the Club’s funds were at an all-time low. Their efforts were instrumental in creating awareness, increasing financial donations and a new insurgence of volunteers (Contract period: November 2007 to June 2008). An example of their work can be seen with the ticket sales for the annual 2008 Fat Tuesday fundraiser dinner. The event was sold out and we raised over \$8,000 that night. Although it is hard to track, in comparison, this year’s event only sold one-third of the amount of tickets.”
